

# PHOTOS: CONGRATULATIONS TO SIBLING ARTISTS YOSEPH AND ANI VICK

Correction: This drawing from Yoseph Vick, a first-grade student of Mrs. Wilson at Yaak School, placed first in the primary division, grades K-3, in the annual "Keep Montana Green" art contest, facilitated by the Montana Department of Natural Resources and Conservation. In the March 23 issue of the Western News, Yoseph's winning information was erroneously published alongside artwork produced by his sister, Ani Vick, whose work won an honorable mention in the contest. The Western News is sorry for the error, and congratulates both Yoseph and Ani for their talented work.
