Dear Parent or Guardian:

Law requires that the school keep updated immunization records for all students and a copy of your child/children's birth certificate on file.

If your child/children received immunization updates over the summer, please provide us a copy of those updated records. In the event you have signed a waiver form before, we are required to have you sign a new one each year.

In addition, all students must have a copy of their birth certificate on file, prior to starting school. If you have provided one before, we still have it, and it will not be necessary to provide another copy.

Thank you,

Sabre' Alderete, M.Ed.  
Head Teacher/Principal
