The meeting was called to order at 2:30 PM. Committee members reviewed the Montana Office of Public Instruction (OPI) state standard revision schedule and compared it to the district's curriculum review cycle. The district is in the same alignment of reviews and revision as the state. The following standards are currently under revision at the state level:

| Content                          | Content             | Content                         | Content                             | Content                                | Content                              |

| Mathematics                      | Research and Review | Revisions Negotiated Rulemaking | Board of Public Ed Adoption Process | Professional Learning on New Standards | <b>Districts Implement July 2026</b> |
| English Language Arts & Literacy | Research and Review | Revisions Negotiated Rulemaking | Board of Public Ed Adoption Process | Professional Learning on New Standards | <b>Districts Implement July 2026</b> |

The Head Teacher provided an overview of how district assessments align with the state standards. She demonstrated how she utilizes monthly reports to guide instructional decisions and ensure alignment with curriculum goals and state standards.

The standards that are to be implemented in July of 2025 are the English Language Proficiency Standards. The Yaak School District will follow its current curriculum plan and implement any changes in July 2025.

The district has approved sending the Head Teacher to a professional learning session on the New Math Standards, which are scheduled for implementation in July 2026.

Adjournment: The meeting was adjourned at 3:30

Next Meeting Date: A Friday morning due to Spring Break and Math State Standards Training happening on regularly scheduled dates. Specific date to be discussed and advertised.
