Dear Parent or Guardian,

If your child will be an enrolled part-time or full-time student for the 2025-26 school year and you live more than 3 miles from school, please fill out the enclosed transportation contract (highlighted areas only) and **return it to the school before June 30th**. Because the Yaak School has no bus service, you will be reimbursed twice yearly for those days that you transport your enrolled child to school.

Only custodial parents or legal guardians may sign a transportation contract, and both the parent (or legal guardian) and student must reside within district boundaries. Please provide a complete physical address as well as the number of miles, one way, from the school to that address.

For further information, please call the clerk at 295-9311. Thank you for your prompt response.

Sincerely,

Diane Downey
District Clerk
