STUDENT HANDBOOK

The Yaak School Student Handbook is available from the Head Teacher. At the beginning of each year students of Yaak School review the Student Handbook. There are changes in the Handbook from year to year and students and parents should have a copy and review it regularly. The Handbook will answer many questions that you may have. Please read and discuss the information with your child so that you and your child understand our expectations at Yaak School.

I have read and understand the contents of the Yaak School Student Handbook. Further, I understand that the expectations laid out in the Yaak School Student Handbook are in effect during school hours, at all school-sponsored activities, on all school properties, and on school buses.
