Dear Parent or Guardian:

Montana state law requires Yaak Elementary to maintain updated immunization records and a copy of each student's birth certificate on file.

If your child received any new immunizations over the summer, please submit an updated record to the school as soon as possible. If you signed a medical or religious waiver form from a previous year, please note that **a new waiver must be signed each school year.**

Additionally, every student must have a copy of their **birth certificate on file before starting school.** If you've already submitted this in a prior year, we still have it on record, and no further action is required.

Thank you for your prompt attention to this matter.

Sincerely,

Head Teacher
